To whom it may concern,

The Casa Bonita 1 Condominium, located at 26000 Hickory Blvd, Bonita Springs FL, 34134, is deemed to be uninhabitable at this time. The building currently does not have electrical power, water/sewer or elevator service. It is unknown at this time when any of these services will be available to support habitation.

Until further notice, the board is requiring that no one enter the building unless absolutely necessary, for safety reasons. The Board will plan to update as information becomes available. Thank you.
